 **Brilliance**

Brilliance es una empresa dinámica y creativa que cuenta con una experiencia de 15 años en el sector de iluminación. Nuestra principal inquietud es el desarrollo de nuevos diseños así como la búsqueda de nuevos materiales para poder ofrecer a nuestros clientes un producto original y de máxima calidad.

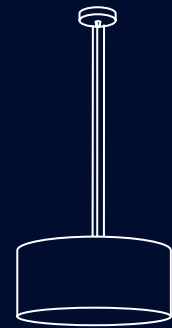

Paralelamente, y como norma primordial de nuestra empresa, constantemente nos esforzamos en ofrecer un servicio eficiente y trato exquisito a nuestros clientes, a quienes consideramos como la parte más importante de nuestra empresa.

Nos complace presentarles nuestro nuevo catálogo, en el cual aparecen ilustradas nuestras últimas novedades, que esperamos sean de su agrado.

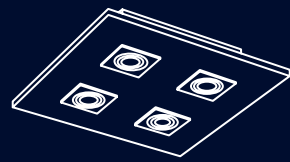

Así mismo, rogamos no duden en ponerse en contacto con nosotros para cualquier duda ó pregunta que tengan acerca de nuestro producto ó empresa.

Brilliance is a dynamic and creative company with 15 years of experience in the lighting business. One of our main objectives is the development of new designs and the continuous search for new materials in order to produce an original and high quality product which meets our customers requirements. In addition to this, our goal is to provide our customers with quick and efficient service which we consider the most relevant aspect of our company.

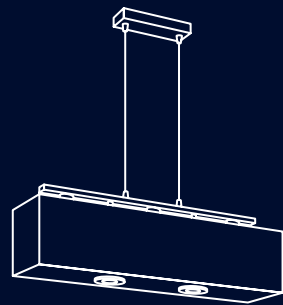

Brilliance has the pleasure of introducing our latest catalogue which illustrates our new designs which we hope will meet with your approval. Should you have any interest in our products or any questions regarding our company please do not hesitate to contact us.

Todos nuestros productos están fabricados siguiendo y cumpliendo la normativa de seguridad y electromagnetismo de la Unión Europea:

EN 60598-1, EN 60598-2-1

All products are manufactured according to the European safety and electromagnetism standards:

EN 60598-1, EN 60598-2-1

Todos nuestros productos llevan incorporados el marcado CE y han sido sometidos a pruebas de seguridad.

All products are CE marked and have been tested.

La tonalidad de nuestros cristales puede sufrir alguna pequeña variación ya que están hechos de forma artesanal.

The colour of our glasses are subject to some small variation as they are all hand made.
